Supporting Organizations

I-SWEEEP sponsors are forward-thinking energy companies and leaders who provide cutting edge technology and services. Sponsorship of this unmatched event provides your company an exceptional opportunity to:

- Connect with over 1,000 bright minds who are prospective energy researchers;
- Network with leading figures of energy research from academia;
- Increase your PR visibility;
- Publicly acknowledge your pledge to the role of education in the future of energy industry;
- Position your business as a dynamic, talent-friendly company;
- Expand and strengthen your position as a leader in the field;
- Gain exposure for your marketing message, product launch or display;

- Align your company with the like-minded ideology of future excellence;
- Publicize the benefits of a career in your industry and assist in the development of future leaders;
- Contribute to global sustainability studies.
